

### **QUALITY POLICY AND OBJECTIVES**

PURE CHEMICALS IBERICA, S.L. Aims to ensure that the quality of the services and products it offers are a faithful reflection of the expectations of each customer, thus ensuring the long-term success of the company. Therefore, it establishes, declares and assumes the following principles:

1. The final Quality of the service and product delivered to the client is the result of the planned and systematic actions of PREVENTION, DETECTION, CORRECTION AND CONTINUOUS IMPROVEMENT throughout the cycle.
2. The contractual requirements, the wishes and expectations of customers, are the only criterion to establish the quality pattern of our services.
3. Quality requirements and contractual requirements must be translated effectively into specifications that will be arranged to suppliers COMPLETELY AND TIMELY.
4. The QUALITY is a common work of all the areas of the company, each one of the areas has to assume that it is client and suppliers of departments and people of the organization.
5. Each employee of PURE CHEMICALS IBERICA, S.L. is responsible for the quality of their activities. Quality Manager is responsible for the implementation of the Quality Policies and Objectives, verifying their execution through audits.
6. The implementation of this Policy requires the active integration of the entire company team. In order to carry out this, the Direction considers priority MOTIVATION and TRAINING.
7. The Management will define the Quality Objectives quantified at the beginning of the year, so that specific objectives will be defined each year.
